

CAND.IT YOUR WEBSITE ENGINEER

This hereby is a certification that cand.it a website building company that was natured, built up and established as a company of its own. This happened during the summer season of the year 2023 which took place from November 3rd to the 28 of December and finally established on the 29th of December 2023.

With the aim to transform people's online presence and most especially to create an experience with infinite possibilities in the networking industry. Building more than just a website from selling online, starting a blog and organising events to promoting your business and building your community and relationships.

It was formally started singularly with Danfold mosongo who is the current CEO of the association after a long study and gathering of information widely based on the day to date activities for the building of tomorrow's success. With every consideration and accurate acknowledgement cand.it was started

This is to clarify that cand.it is a website engineering company that is passionate about turning ideas into digital brilliance. Crafting stunning, user-friendly websites that engage your audience. To elevate your brand, boost conversations and take the first step towards online success.

Here to bring your vision to life.
